Read the text and then answer the following questions:

I'm Ali, and this is my adventure with my family. We went camping near the mountains. It was my first time sleeping in a tent! When we arrived, my dad was putting up the tent while my mom was preparing the campfire. I wanted to go exploring, so I put on my hiking boots and went hiking on a small path. While I was walking, I saw many beautiful trees and flowers. Suddenly, I heard a noise. I looked up and saw a small bird building its nest. I was watching the bird when my brother called me. He wanted to go fishing in the river. We took our fishing rods but didn't catch anything! Later, we ate Pizza near the campfire. I wasn't scared of the dark because I had my flashlight. III. Reading Short Sentences

Read the text then answer the questions below:

Stories are like doors to new worlds. They let us imagine exciting adventures and meet interesting characters. Last weekend, I watched a comedy movie with my family. It was full of funny scenes, and we laughed until the end! The movie makes us feel many emotions; happy, curious, or even scared. I also love mystery stories because they challenge me to think and solve problems. Stories are everywhere – in books, movies, and plays. They teach us about life, and they show us different cultures and ideas. They help us understand the world better. That’s why I believe stories are important for everyone.

B- Read the passage to answer the questions:

Hey, Mom and Dad!

I hope you're fine. I'm having an awesome time at summer camp! Yesterday morning, we went rafting and guess what? The raft turned over, and I ended up in the water! But don't worry, I was wearing a life jacket, so nothing bad happened. In the afternoon, we went mountain biking. It was a lot of fun, but I got all wet and dirty because it was raining. Today, we're going fishing and horseback riding. I'm really excited! I miss you a lot. I wish you were here to share these great outdoor adventures with me.

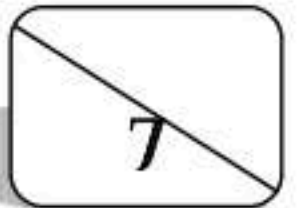

Love you,

Adrian
